Forensic Artist Skills Enhancement Workshop

LAS VEGAS 2015

FASElinks LAS VEGAS 2015

Join us in sunny Las Vegas, Nevada for the 2nd annual **FASElinks** Workshop and Conference.

FASElinks' 2015 Workshop offers you the opportunity to network with other professional Forensic Artists from around the country and the globe. Be there to **SHARE, TEACH, LEARN!**

The **FASElinks** Workshop is different than traditional forensic art courses. The concept of a facilitated, professional, peer-driven workshop focuses on what YOU want to **SHARE**, what you want to **TEACH** and what you want to **LEARN**.

Highlights of the workshop will include: the cognitive interview, anatomy of the human face and skull, forensic art departmental policies and a presentation by an expert guest speaker. But come ready to draw because this Workshop will include a ton of drawing, with a focus on developing pencil realism to enhance your skill set. Don't miss out! Space is limited.
